

"Seemore" The Safety Crab

## When It Comes to Beach Safety, Make Sure You Know Before You Go!

The flag system indicates current surf conditions based on what color safety flag is flying at the beach. Take a minute to study the flags and learn what the colors mean. With your help, and a little help from Seemore, we're making safety a top priority at the beach.

-   **WATER CLOSED TO PUBLIC**
-  **HIGH HAZARD**
